

We, **Shenzhen Focus Global Logistics Corp. Ltd**, have fulfilled several projects during Jan of 2016, good beginning of New Year and would like to share with our good friends and partners. Wish to cooperate with you for more projects!

**Project 20160103**

**POL: Tianjin, China**

**POD: Karachi, Pakistan**

**Cargo: steep pipes/ sections bars with different shapes**

**Volume: about 1100MT/930CBM**

**Operation key points:**

- 1. Inland Transportation: factory is about 1000km away from port and with different shapes of cargo we need to make perfect loading plan so that to save trucking cost, also make sure no damage or missing of goods.**
- 2. Packing: need to make special packing for the material in our premise to make sure safe and easy operation at port and loading onto vessel.**
